Two king size pillow top bedrooms off the living room and kitchen each have rich Tommy Bahama beds, dressers, bedside tables and flat screen wall mount TV's. Each bedroom has a door to the outside so if you would like to go out to the 8 person hot tub or take a shower under the stars in the 2 person outside private shower with mood lighting, you will not disturb the guests sleeping on the sleeper sofa. The side gate on the house also allows each of the occupants of the house to enter their own bedroom without disturbing anyone else in the house.

The bathroom has 3 separate pocket doors, one from each of the bedrooms and another from the living room. The floors are Travertine marble tile, the 2 person shower is tumbled marble. The vanity also has a granite counter top.

Your private rear deck with retractable awning has wonderful palms and indigenous vegetation surrounding the outdoor dining table, sofa and chairs, hot tub and outdoor shower. This is a great gathering area if you would like to rent all of Abbey Road for a large group!

The common area has a bike rack, Weber gas BBQ grill and a washer/dryer for your use. Upstairs, on the deck overlooking lushly landscaped Abbey Road, you can enjoy yourselves at the common area outdoor table and chairs for up to 6 persons and get extra ice to invite guests from Harrison's Hideaway, Starr's Suite or McCartney's Manor to join you for drinks and conversation under the towering Spanish Lime trees or to star gaze on a warm tropical evening.
